

# LAW PROPOSALS

30<sup>th</sup> January 2019

European Parliament offices – Rome, Italy

**11 Groups**

**11 law proposals  
discussed**

**7 main topics**

# 1. Political education at school

- ▶ Improve youngsters knowledge and awareness about European Union institutions working and policies
- ▶ Raise awareness about youth needs & opportunities
- ▶ Stimulate youth involvement and action in politics
- ▶ Reinforce European identity

In details:

- Obligatory courses
- Theoretical and practical programs (mobility, workshops)
- From early school
- Transparency and neutrality

## 2. Practical competences and better internship conditions

- ▶ To face unemployment
- ▶ To give young people professional competences
- ▶ To ensure trainees a correct reward and useful skills

In details:

- Introduce non-formal education at school
- Internship program obligation at the university
- Paid internships (enough to ensure living costs) -  
A law proposal introducing unpaid internships has been proposed:  
has been supported by petition for approval
- Mentoring system for students provided by universities

# 3. Youth representation

- ▶ Increase youth representation at the European level
- ▶ Improve youngsters information about European institutions working and policies
- ▶ Raise young people awareness about their needs and opportunities

In details:

- A youth committee is elected each 3 years at the national and European level
- This committee gives recommendations, works to inform young people and defend their needs

# 4. Free public transport for young people

- ▶ Fight against transport pollution
- ▶ Encourage eco-friendly production and behaviours
- ▶ Tax multinational companies and financial products
- ▶ Decrease inequalities

In details:

- Free transport for young people until 30 years (amendment)
- Taxes will be a way to afford for public transport

# 5. Youth involvement law

- ▶ Give young people the opportunity to develop their ambitions and communities in a sustainable way
- ▶ Improve youth working conditions giving higher economical rewards in EVS and internships

In details :

- Create a European volunteering program aligned with the European parliament guidelines which must be implemented in each country with the national minimum salary
- Increase professional opportunities in the social and environmental fields

# 6. Integration program

- ▶ Help young people in mobility to integrate the host country,
- ▶ Support young people who want to work and live in another European country,
- ▶ Ensure a connection to face loneliness of expats

In details:

- Financial support must be provided by governments and companies for language courses, logistical assistance and social connections
  - Local support must be implemented
- ✓ A petition supports the law proposal for approval

# 7. Fight against gender discrimination at work

- ▶ Ensure gender parity inside companies
- ▶ Reduce salaries gaps between men and women with the same level of education

In details:

- Ensure the same salary for men and women at a same level of qualification

# THANK YOU
