PROJECT SUMMARY

The project aims to **equip young people** and **youth workers** with **essential skills like leadership, project management, and social inclusion** to enhance their effectiveness in youth work. It addresses **skill gaps** by fostering a learning environment that incorporates digital tools and non-formal education, with a focus on marginalized youth. Additionally, **it promotes international collaboration**, encouraging transnational networks and entrepreneurial initiatives.

The project also provides **European-recognized certifications**, such as **Youthpass**, to boost career prospects and ensure long-term impact on youth work quality.
